Sponsorship Package

A PTBO Tradition

PMF is one of the longest running free admission summer concert series in Canada since our founding year, 1987.

2025 will mark Peterborough Musicfest's 38th Season with free concerts held every Wednesday and Saturday night at Del Cray Park in the heart of Peterborough Ontario.

Free Music All Summer Long

Del Crary Park stage has hosted the likes of City & Colour (solo), Metric, Little River Band, Carly Rae Jepsen, Big Wreck, Tegan and Sara, Our Lady Peace, Tom Cochrane, The Reklaws, Kiefer Sutherland, Walk Off the Earth, Tyler Shaw, Randy Bachman, Alan Doyle, and many more.

The quality of our line-up generates a sizeable audience – some 118,500 in 2024 – which in turn provides an economic boost that helps fuel our downtown and area tourist attractions. An economic impact study commissioned in 2023 pegged the number at \$4.3 million; a significant boost for our hotels, restaurants, and bars. Peterborough Musicfest also helps create the equivalent of 93 jobs throughout its annual summer run.

We're funded by corporate sponsorships (most of whom are small locally owned businesses), through multi-level government support, fundraising initiatives, and private donations and we remain steadfastly, and uniquely, free of charge for our audience.

That's right – it is absolutely FREE to see the likes of Colin James, Serena Ryder, Gordon Lightfoot, 54.40, Blue Rodeo and so many others at Peterborough Musicfest because...

This feisty, industrious, creative city believes music should be enjoyed by all people, regardless of their ability to pay.

Free Admission Doesn't Happen By Accident

Since 1987, Peterborough and area businesses have stepped up to ensure thousands, whatever their means, are entertained each summer by top live music acts.

Recognizing fully the immense value of building community through a shared experience, each has made a financial and/or in-kind investment to ensure Peterborough Musicfest admission remains free – a unique reality on Canada's festival landscape.

All artists who appear in Del Crary Park are paid and that doesn't come cheap. In fact, those fees have risen dramatically in recent years with little to no prospect of that changing.

The reality is Musicfest sponsors, whatever their contribution, are needed more than ever to keep the late Fred Anderson's dream alive more than three decades after he founded his 37 year old festival.
